

Mobile

Tailor Made is a provider of business mobile connectivity with direct access to a wide range of flexible packages, the latest handsets, and 5G data solutions which we tailor to your needs and budget. We can tailor your business phone plan to suit individual requirements, then get the hardware set up and delivered to you, so you are ready to go straight out of the box.

FINDING THE PERFECT MOBILE FLEET

We can provide your business with everything you need from your mobile fleet, whether you need just a couple of devices, or across multiple sites.

You can choose from a wide range of devices including mobiles, iPad, tablets, and dongles. We also offer a comprehensive range of competitive business mobile plans to suit your requirements.

BUSINESS MOBILE PHONES

You can choose from a range of devices including a comprehensive range of smartphones, rugged devices, and feature phones. This includes mobile brands including Samsung Galaxy, iPhone, Google Pixel, and Nokia.

BUSINESS TABLETS & DONGLES

We also have a range of tablets, iPads, and dongles that can help keep your business connected. Perfect for removing paper trails, increasing efficiency and productivity in the office, on the road, or working remotely.

BUSINESS MOBILE TARIFFS

We offer SIM only plans, as well as Unlimited and fully managed services to find the right mobile deal for you. Individuals can have different plans, but it is all managed in one place, so you gain control.

We also offer Mobile Device Management (MDM) services, so that you can manage all your devices centrally.
